CHUCK E. CHEESE'S
Where A Kid Can Be A Kid.®

TO: All Chuck E. Cheese's Locations with a Studio C Stage Show
FROM: Entertainment Department
DATE: October 10, 2014
SUBJECT: Studio C – "Them Bones Live Show"

Please update your Studio C show computer, by following the steps below.

- Insert the Chucktober show update floppy disk or CD into your show computer and reboot the computer.
- Once your show computer has installed all of the necessary files eject the show update floppy disk or CD.
- Reboot your show computer and start your show from the manager control panel.

This update works with the Fall 2014 Show DVDs that should already be installed.

This will update your show to play "Them Bones" as the automatic live show every hour.

After the Chucktober promotion has ended, on Monday, November 3, it is very important that you re-install the previous Fall 2014 Show floppy disk or CD update. If you need a replacement, please call the parts department.

Thanks everyone, and Happy Chucktober!
